The Units that are issued on a deferred basis, sometime after the request for fresh issue of Units have been received, will be issued at the Offer Price prevailing on the date of such issue.

The requests in excess of the ten-percent shall be treated as redemption requests qualifying for being processed on the next Business Day at the price to be determined for such redemption requests. However, if the carried over requests and the fresh requests received on the next Business Day still exceed ten percent of the Units in issue or 10% of the NAV of the Fund, these shall once again be treated on first-come-first served basis and the process for generating liquidity and determining the Redemption Price shall be repeated and such procedure shall continue till such time the outstanding redemption requests come down to a level below ten percent of the Units then in issue.
