The benchmark KSE – 100 index plunged by 2,171.27 points (down 4.80%MoM) during the month of May 2022 to close at 43,078.14. The local bourse remained under pressure on grounds of prevailing political instability, concerns about the terms of IMF loan program, delay in approval of Saudi Arabia aid package, dwindling foreign exchange reserves and skyrocketing inflation. The average daily traded volume also decreased by 13% to 252.23 million as compared to 289.53 million recorded during the month of April 2022. Consecutively, KSE-100 Index closed at a forward P/E and P/B of 4.3x and 0.8x respectively, with a healthy dividend yield of 9.2%.

Foreigners remained net sellers during the month, with an outflow of USD 8.82 million as compared to an outflow of USD 5.07 million recorded during last month. This has taken cumulative outflows during 11MFY22 to USD 285.03 million. On the local front, Banks/DFIs and Individuals remained net buyers with net inflow of USD 31.77 million and USD 5.35 million, whereas Mutual Funds and Insurance remained net sellers with net outflow of USD 20.38 million and 12.44 million respectively.

Major news that impacted the investors' sentiment during the month included: 1) The Government imposed ban on the import of 38 non-essential luxury items which would save USD 6 billion annual saving of foreign exchange reserves, 2) The Current Account Deficit (CAD) in April 2022 declined significantly by USD 623 million taking the 10MFY22 CAD to USD 13.78 billion, 3) The PKR plummeted below PKR 202 against USD for the first time in the Country's history, 4) The State Bank of Pakistan (SBP) in its last monetary policy meeting raised the policy rate by 250 bps to 13.75% in order to reduce external account pressures and improve the deteriorating inflation outlook, 5) Saudi Arabia announced that it is in the process of finalizing the extension of USD 3 billion to Pakistan which is contingent on the resumption of the IMF program, 6) No staff level agreement was reached with IMF as the fund pointed out 'deviations' on fiscal side from the policies agreed in the last review after which the Government increased the prices of petroleum products by PKR 30 per litre as an effort to pave its way to the resumption of IMF program, 7) The Foreign exchange reserves during the month declined by 635 million (-3.87% MoM) to USD 15.77 billion with SBP reserves being USD 9.72 billion, 8) The provisional growth rate for the year 2021-22 is estimated at 5.97% according to Ministry of Finance which is higher than the estimates of IMF and World Bank, 9) Inflows through Roshan Digital Account (RDA) reached USD 4.36 billion by end of May 2022 with more than 410,000 accounts opened.

NCPI during the month of May 2022 clocked in at 13.8% YoY as compared to 13.4% YoY recorded during April 2022 taking 11MFY22 average NCPI to 11.29% YoY. Higher NCPI was witnessed due to 17.25% YoY increase in Food Items, and 5.84% YoY increase Housing, Water and Energy prices along with 31.77% increase in Transport prices. PKR depreciated by 6.44% during May 2022 to close at PKR 198.46 against USD due to depleting foreign exchange reserves.

On the Fixed Income front, T-Bills yields jumped to a 24 year high in the secondary market while the cut-off yields of Pakistan Investment Bonds (PIBs) also jacked up by up to 70 bps in the auction conducted by the SBP on May 25, 2022, making the recent hike in the policy rate by SBP redundant. During the month, the SBP conducted one (1) MTB auctions with a realized amount of PKR 0.33 trillion. Weighted average yields for 3 months and 12 months MTB increased by 23bps and 28bps to 14.4225% and 14.7499% respectively whereas yields for 6 months MTB remained same as compared to the last auction.

Disclosure of Sindh Workers' Welfare Fund (SWWF):

During the month of August 2021, provisioning against Sindh Workers Welfare Fund by AKDAIF amounting to PKR 5.95 million has been reversed on the basis of clarification received from Sindh Revenue Board vide letter No. SRB/TP/70/2013/8772 dated August 12, 2021 addressed to Mutual Funds Association of Pakistan, received on August 13, 2021. This reversal of provision has contributed towards an unusual increase in NAV of the AKDAIF (0.38/unit) 0.73%. This is one-off event and is not likely to be repeated in the future.
