

AKD CASH FUND

For the month of January 2012

AKD Cash Fund

In its journey to provide value added services to its clients AKD Investment Management Limited is pleased to announce the launch of the AKD Cash Fund. The Initial Public Offering took place from 19th January to 20th January 2012. The objective of AKD Cash Fund (AKDCF) is to provide optimum returns consistent with minimal risk from a portfolio constituted of high quality short term securities/instruments, which will provide liquidity. The AKD Cash Fund is suited for conservative investors with little tolerance for price volatility while ensuring liquidity, along with a regular return in line with on-going interest rates.

Return at the end of January 31, 2012 stood at 11.21% versus the benchmark return of 10.11% thus outperforming the benchmark.

Investment Objective

The Objective of AKD Cash Fund (AKDCF) is to provide optimum returns consistent with minimal risk from a portfolio constituted of high quality short term securities/instruments, which will provide liquidity. The Fund will exclusively invest in highly secure ('AA' and above) short-term debt instruments such that the weighted average maturity of its net assets will stay below 90 days.
